

Beaded Anklet Workshop

with Susan Donohoe

Wednesday, April 29

1:00 PM – 3:00 PM

Design and make two beautiful, beaded ankle bracelets. This beginner workshop introduces some basic jewelry making skills. The students learn how to create a design, string beads onto jewelry wire, and secure with crimp beads and a lobster clasp.

Key steps are securing the clasp, adding beads, and finishing with a strong, tightened clasp. Essential tools include wire cutters, jewelry pliers and a crimping tool. Please bring any of these jewelry making tools that you have. The instructor will have extras, if needed.

Registration Fee: \$35 for MAG Members, \$45 for Non-Members. This class is offered in-person at MAG ArtSpace, 9 Park Street in Milton. Go to MiltonArtsGuild.org for registration and payment. Registration deadline is 1 week prior to class date. **Materials will be provided in the cost of the class.**

Instructor Bio - Susan Donohoe: After spending many years in the stressful corporate world, I retired to Lewes in 2014. To occupy my free time and satisfy my creative side, I started a small business named 'salt bleu', which offers a range of items from local inspired art to casual jewelry. I am a self-taught jewelry maker, picking up new techniques via in-person classes and internet tutorials. My handcrafted jewelry collection focuses on nature in all its varied states of beauty and primarily features coastal colors. I am always surprised and intrigued by the intricate simplicity of beauty found in natural gemstones, which has quickly become my favorite medium.
