

Introduction to Cricut

with Miranda Brown

Monday, June 15, 5:30 – 8:30 PM

This is a relaxed, beginner-friendly class designed for anyone curious about using a Cricut machine. This low-stress workshop welcomes anyone - no experience needed. Students will learn how the Cricut machine works from the ground up, including blades, mats, and common materials. The class will cover basic Cricut Design Space navigation and provide hands-on experience cutting and applying vinyl. Each student will complete a vinyl decal from start to finish and apply it to a water bottle to take home. This class also introduces the wide variety of materials you can create with a Cricut.

All equipment and tools are provided. Students may bring their Cricut or borrow one of ours. Students will be contacted before class with instructions to download the free version of Cricut Design Space on a device.

Registration Fee: \$60 for MAG Members, \$70 for Non-Members. This class will be offered in-person at the **ArtSpace** at **9 Park Street** in Milton. Go to MiltonArtsGuild.org for registration and payment.
