

Watercolor Supply List

Bring what you have...but look at what you might need below.

Suggested Supplies:

Paint

Colors must be tube paint, not cake or pan paints. Windsor & Newton, **professional grade** (**NOT Cottman**) Holbein, Daniel Smith or M Graham are all good quality paints....but you are not limited to these brands.

Basic Palette

REDS	YELLOW	BLUE	GREEN	EARTH TONES
Scarlet Lake or Cadmium Red	Yellow Ocher	Ultra Marine	Perm Sap Green	Burnt Umber
Permanent Rose	Cad Yellow	Cobalt	Green Gold	Burnt Sienna
	Raw Sienna	Cerulean	Olive	Raw Umber
	Windsor Lemon			

Titanium White, or white gouache or Doc Martins Bleed Proof White

This is a good list for general landscape painting. **For a minimal pallet select at least one red, yellow and blue...(ultra marine, perm. rose, yellow ocher and lemon yellow would be my selection)**

Palette: I use an Alvin Heritage Folding palette with 33 wells or on Amazon it's called Mijello. Any palette that is compact for easy transport and seals well.

Paper: 140 lb cold press. I use Fabriano or Arches in single sheets vs a block. Cold press has texture. Hot press is flat like it's been ironed. In the catalogs it will be listed as 140CP or 140HP. Paper also comes in Rough (more texture) or Traditional White.

Size: full sheets (22x30"). Blocks or pads 12x16"

Note: we will be using lots of paper as we practice.

Brushes: Fro Amazon you can order a good cheap set of mop brushes (about \$30). Grabie or Fuumuui professional.

I generally use a 2 and 8 round, ¼ inch flat and a rigor size 1.

NOTE: Bring what you have but if you need to purchase a brush buy an 8 round, sable or squirrel.

Gator board or form core ($\frac{1}{8}$ or $\frac{1}{4}$ ") 12x16" or any supporting material...even a thick cardboard would work.

Sketch Book - 90 lb spiral 5x7 or 8x10

MISC: Eraser, HB drawing pencil, two water containers, spray bottle, paper towels

Artist Tape - NOT blue painters tape

All supplies can be purchased on line. I use Dick Blick, Jerry's Artarama, and Amazon

Anne Buck - Watercolor 2026

Colors: Rows from left to right - top to bottom from pallet
