

Fluid Art Embellishment

with Kathy Coyne

Sundays: October 18 and

November 1

1:00 - 4:00 PM

In this class, students will learn five different poured painting (Fluid Art) techniques and then take the next step by embellishing a few of their paintings.

Participants will create their poured paintings in the first class, and then, after the paintings have dried, embellish one or two in the second class. Several different examples for embellishment, such as stencils, negative painting, collage and/or painting by hand will be provided for the student to choose from based on their individual level of expertise or interest.

Registration Fee: **\$85 for MAG Members, \$95 for Non-Members.** This class will be offered In-person at ArtSpace, **9 Park Street in Milton.** Go to MiltonArtsGuild.org for registration and payment.

All materials will be provided but students may wish to bring their own acrylic paints if they want a specific color combination.

Kathy Coyne is a self-taught artist, combining the spontaneity of fluid acrylics with more controlled conventional brushwork. Her award-winning paintings have been exhibited across Kent and Sussex Counties in Delaware.
